About PoP.

Honoring 2SLGBTQIA+ Pillars in our Community

At **GenPride**, we advocate for the unique needs of older LGBTQIA+ adults, offer innovative programs and services that promote well-being and prevent social isolation, cultivate belonging through community connection, and work to eliminate discrimination in all its forms.

Pillars of Pride is GenPride's annual event, timed to coincide with the yearly **National Honor our LGBTQ Elders Day**.

Pride Place

In the heart of Seattle's Capitol Hill!

This is an exciting time for GenPride, as we prepare for the opening of Pride Place, a new LGBTQIA+ affirming senior affordable housing and community center on Capitol Hill, scheduled to open in the fall of 2023.

GenPride is partnering with Community Roots Housing on the development of this project – the first of its kind in the Pacific Northwest – which will include a senior community and health services center on the ground floor.

We are engaged in a campaign to secure \$5M in funding to build out the community center at Pride Place; funds raised at Pillars of Pride will support this effort.

This event recognizes our LGBTQIA+ elders who have worked hard to lift our community.

This generation of elders fought for and won a tremendous amount of the rights we enjoy today. Without their courage in the face of hatred, discrimination and violence, our community would be very different.

We are committed to this being a truly inclusive day that represents the many diverse segments of our community.

The goals of this event are to:

Honor our LGBTQIA+ elders

Raise funds to support GenPride and Pride Place

Provide a space for community to gather and celebrate

GenPride hosted a wildly successful inaugural Pillars of Pride in 2022: we had over 140 people attend in-person, and many more joined virtually.

This year we anticipate another unique event, with an even larger audience. With the dynamic Aleksa Manila as emcee, performances by the Seattle Supertones, and moving speeches from 12 extraordinary LGBTQIA+ elders, the day was one to remember! Check out our event video from last year [here](#).

As part of GenPride's commitment to equity, we have structured our Pillars of Pride sponsorship packet to provide discounts based on your organization's ownership and size.

Sliding Scale Sponsorships

If your organization belongs to one of the following categories, you receive a 20% discount. If your org belongs to two or more categories, you receive an additional 10% discount.
